

CHEVY CHASE VILLAGE BUILDING FACILITIES

Rental Policy and Regulations

Introduction

The Chevy Chase Village Hall situated in the center of Chevy Chase Village has recently been renovated. Residents are invited to use the rooms for private occasions and also to join other Village residents at Village sponsored events. Although the Hall is not available for commercial use, it does serve as the focal point for the Village, and is available to enrich the civic, cultural, and social life of the Village. Village residents may use the public rooms in the Village Hall for nonprofit or charitable activities. These activities may include social gatherings, recreational activities, club meetings and educational events. Please note that although the needs of the Board of Managers and of the Village Staff to conduct Village business shall be given priority for the use of the public rooms, every effort will be made to accommodate previously scheduled events.

The public rooms in the Village Hall are the Arthur Lambert Room (Lambert Room), which faces Connecticut Avenue on the east side of the building and the Leonard Humphrey Hall (Humphrey Hall) located in the interior of the building facing the Laurel Parkway entrance. The Mary Anne Tuohey Conference Room (Tuohey Room) is located just off of Lambert Room and is available for meetings, smaller parties or as additional space for larger parties. The reception area provides ingress and egress to and from these rooms and to the staff offices.

The Chevy Chase Village Building Facilities Commission (Commission), which is made up of five (5) members, is appointed by the Chairman of the Board of Managers with the concurrence of the Board. The Commission members will serve staggered terms. At least one member of the Commission shall reside within sight and sound of the Village Hall. The Commission is responsible for formulating and administering the rules for the public rooms in the Village Hall with the assistance of the Village Counsel. These shall include, but not necessarily be limited to, standards and eligibility for use, hours of use, rental fees, conduct during use, permits for use, damage to equipment, building or property during use, and such related matters as may, in the judgment of the Commission, enhance the utility and enjoyment of the Lambert Room and Humphrey Hall.

POLICY

1. The Board may sponsor events and activities such as meetings, programs and classes for the overall benefit of the Village. A fee may be charged for some activities. When the Board determines that a Village-sponsored event will occur, the Board may waive the capacity limits as long as they meet The Montgomery County Fire Code. The Commission encourages use of the public rooms to benefit Village residents in a manner consistent with the public health, safety and welfare. Safeguards for ensuring this goal include limiting the number of persons attending classes, meetings and other events, regulating the nature of events held, their frequency, and the hours. The Commission reserves the right to deny use of the public rooms.

10/7/08

2. The Commission establishes fees for use of the Hall to defray the cost of overhead, maintenance, and janitorial services. Since the Village and its residents benefit from the cultural activities such as art exhibits and lectures and from community groups such as garden clubs, historical societies, political organizations and youth groups, the Commission may authorize an exemption and waive some or all of the charges established under the fee schedule.
3. Before the Commission can decide appropriately which applications should be approved, the application form requires a description of the proposed event including:
 - Type of occasion, whether a private party or a public event sponsored by a community organization;
 - Number of persons attending;
 - The hours of the event;
 - If the event is primarily for children under the age of 12;
 - If a caterer is to be used;
 - If food and/or beverages will be served; and
 - If alcoholic beverages will be served.
4. Any adult Village resident (defined as twenty-one (21) years of age or over) may file an application to use the public rooms for an organization or a private party.
5. There are no restrictions on the number of occasions a Village resident may use the Hall to host an event. However, the Commission may, in its discretion, limit the frequency and the number of events held by one resident if it determines such use deprives other Village residents of access to the Hall or imposes an unnecessary burden on Village residents or on the Village staff.
6. When use of the Hall is for an event to be given primarily for persons under twenty-one (21) years of age, the host must guarantee adequate adult supervision during the entire affair. Adequate supervision is:
 - A minimum of one (1) adult chaperone for every six (6) children under ten (10) years of age
 - A minimum of one (1) adult chaperone for every ten (10) children ten (10) years of age through twenty (20) years of age.

The host must inform the chaperones of their supervisory responsibilities.

The host of events for under-age guests (those under twenty-one years of age,) must sign the Non-Alcohol Pledge. Guidelines for chaperones will be distributed at the time a reservation is made.

7. Any person granted use of a room within the Hall on a specific date and within a definite hour designated will have the exclusive use of the room during that time. Since more than one room may be in use at the same time, groups will be expected to share the coatroom and lavatory facilities. **The use of the kitchen may be limited to one event.**

10/7/08

8. The host must pay a reservation fee, a rental fee, provide a security (damage) deposit and in some cases a monitor's fee may be required. The reservation fee is non-refundable, but it will be applied to the rental fee. The rental fee is for the actual use of the room. The security deposit may be forfeited in a part or in total for any damage to the Hall, the Hall grounds, or to other Village property. **Liability for damages is not limited to the security deposit.** All deposits and fees will be immediately deposited into the Village general funds. If no damages have occurred, the security deposit will be refunded within fourteen (14) calendar days after the event.
9. The Village Manager will assess any damages in a timely way and when appropriate, submit documentation to the Commission for its final determination. If the cost of the damages exceeds the security deposit, the host is responsible for the additional amount.
10. **The host must maintain an orderly activity, accepting full responsibility for all participants and their actions; he or she must ever be mindful of those living in the neighborhood.**

Parking: The host must advise those parking on the street of the necessity to obey all traffic and parking regulations. **The Commission reserves the right to require valet parking for events of 100 people or more.**

Noise: The Village Code (Chapter 20-2(b)(3) and (4)) requires consideration of neighbors in regard to noise control. **All outside doors and windows must remain closed whenever music is played.** In addition, the host must remind guests gathered outside the Hall that the sound of voices carries. **The host must insist on quiet conduct particularly after 10:00 p.m. on week nights and midnight on weekends.** Participants are expected to arrive and leave quietly, showing consideration for those living in the nearby houses. **The host must inform participants of this requirement.** All doors to Lambert Room will remain closed while music is being played.

11. Events held at the Hall will remain open at all times to the Village Manager or his designee and to Chevy Chase Village police officers. The Village Manager or his designee may order the closing of any event in progress if it is determined that the conditions of the rental agreement are being violated. (See pg 2-#6, pg 3-#10, pg 3-#11, pg 3-#12 and pg 4 #13.) In such a case, the Village Manager will notify the Commission.
12. **Use of alcoholic beverages during an event must be requested in advance and be approved by the authorized Village official on the Alcoholic Beverage Application.**
- Alcohol may not be approved for some events.
 - Alcoholic beverages may not be sold in the Hall.
 - Alcoholic beverages may not be served to those less than twenty-one (21) years of age.

10/7/08

- The Village supports a “no tolerance” policy for serving alcohol to those under twenty- one (21) years of age.
 - The host of any event where alcoholic beverages will be served with guests under 21 years of age must sign a No Alcohol Pledge.
13. The Village will not be responsible for any injury occurring before, during, or following an event at the Hall. The host will be required to sign a waiver releasing the Village from liability.
 14. If the premises are not available to the host on the date and time requested and agreed upon, regardless whether it is within the control of the Village or whether the Village was negligent in this regard, the liability of the Village will be expressly limited to the return of the fees and deposit. The Village will assume no liability for any damages, direct, incidental, or consequential.
 15. The Commission is authorized to act with a quorum of three commissioners. Lacking a quorum, Commission decisions will be referred to the Board.
 16. When both rooms are rented for one event, the lobby area may be used. Public access must be maintained at all times to the Communications Center and the Village Offices.

ALCOHOLIC BEVERAGE RESTRICTIONS

Alcoholic beverages may be served in the Hall. Consumption of alcoholic beverages is restricted to the Lambert Room, to Humphrey Hall and to the reception area (Delete – when both rooms have been rented.) Use of alcohol is not permitted outside the building.

Maryland State Law prohibits the use of alcohol by anyone under the minimum age of twenty-one (21). No one under the legal minimum age of 21 will consume any alcoholic beverage on Village premises. No one under the minimum age of 21 will be allowed to attend a function in the Hall where alcohol is served without adequate adult supervision.

The Village will not be responsible for intoxicated persons. Users of space in the rooms will indemnify and hold harmless Chevy Chase Village, its officials, employees and the members of the Commission from all claims or legal actions of any sort allegedly arising from the serving of alcoholic beverages.

No Smoking is allowed anywhere in the Village Hall.

SUPPORT STAFF ARRANGEMENTS

The host must submit the names and contact information for the proposed caterer, bandleader, party planner and/or others who will be the support staff for the event at the time an application is filed. Before the event, those using a support staff must arrange for a representative of each one to come to the Hall, meet with a member of the Village staff to become familiar with the building facilities and regulations. Specific guidelines for all involved in putting together an event will be provided to the host prior to signing the rental agreement. When representatives of the support staff come to the Hall, they will be asked to initial the rental agreement.
